THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Milford in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Milford on Tuesday, the thirteenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.

3. To act upon the reports of all town officers, agents, and committees, and raise and appropriate money relative thereto.

4. To see if the town will vote to raise and appropriate the amount of money necessary to secure State Aid for permanent improvement of highways under the law passed January session 1905.

5. To see what sum of money the town will vote to raise and appropriate for town officers' salaries, town officers' expenses, election and registration expenses, municipal court expenses, repairs and supplies for the town house, police protection, fire protection, moth extermination, collection of garbage, health department, vital statistics, town maintenance of highways, general expense of highway department, street lighting, Milford Free Library, town poor, Memorial day, parks and playgrounds, cemeteries, water and electric utilities, damages and

legal expenses, interest on temporary loans, interest on bonded debts, interest on serial notes, town construction of highways, state aid construction of highways, sidewalk construction, sewer construction, payment on principal of debts, state taxes, county taxes.

6. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes, if necessary, as provided by law of 1907.

7. To see if the town will vote to raise and appropriate the sum of $200.00 toward the maintenance of the Milford Community House.

8. To see whether beer or other lawful alcoholic beverages shall be manufactured or sold locally as permitted under Chapter 99, Section 22, of the Laws of 1933.

9. To see if the town will authorize the Selectmen to administer or dispose of any real estate acquired by the town through Tax Collector's deeds.

10. To see if the town will vote to adopt the provisions of an act passed at the 1929 session of the General Court for said state, relating to Athletic Exhibitions and to take any action relating thereto.

11. To see if the town will vote to instruct the Selectmen to appoint the Highway Agent as provided in Chapter 80, Section 10, Public Laws of New Hampshire.

12. To see if the town will vote to instruct the Selectmen to straighten street lines west of the Common, and raise and appropriate money therefor.

13. To see if the town will constitute a Zoning Commission to present to the town zoning ordinances for its acceptance or rejection and raise and ap-

propriate money for the expense of such commission.

14. To see if the town will vote to purchase a new truck for the highway department and raise and appropriate money therefor.

15. To see if the town will vote to request the State Auditor to audit the books of all departments of the town including the water department for the five years preceding 1934.

16. To see if the town will vote to elect by ballot all town officers whose salary is $100.00 or over.

17. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-sixth day of February, in the year of our Lord nineteen hundred and thirty-four.

LEON L. JUNKINS,
FRED N. HUTCHINSON,

REPORT OF AUDITORS

This is to certify that we have examined the items of the accounts of the officers of the following departments and find them correctly cast and properly vouched as follows:

Leon L. Junkins, Clerk of Board of Selectmen; Leon L. Junkins, Overseer of the Poor; Leon L. Junkins, Building Inspector; S. A. Lovejoy, Treasurer Lull Memorial Fund; F. E. Cooley, Treasurer Water Board; J. F. Pirovano, Treasurer Park Commission; F. W. Sawyer, Treasurer Town of Milford; B. F. Prescott, Treasurer Milford Free Library; B. F. Prescott, Justice Municipal Court; F. A. Farwell, Treasurer Board of Fire Engineers; H. C. Bruce, Town Clerk, Permits for Registration of Motor Vehicles and Dog Licenses; H. C. Bruce, Tax Collector Previous to 1933 taxes; D. C. Bruce, Tax Collector 1933; B. F. Prescott, Treasurer Trustees of Trust Funds.

We also certify that we have examined the securities in the care of Trustees of Trust Funds and find them correct.

We also certify that we have examined the accounts of the School Board and the Treasurer of the School District for the fiscal year ending June 30, 1933 and find them correct.

We repeat our recommendation of last year that an attempt be made to locate and place in the custody of the Town Clerk the bond of the Trustees of Trust Funds, and if not found that the Agent be requested to give a copy.

We recommend that a new system of bookkeeping be installed in the Water Works Department and proper clerical attention be given to it so as to facilitate the examination by the auditors.

Respectfully submitted,

F. S. KIMBALL,

Auditors. H. E. TRENTINI.

SYNOPSIS OF RECORD OF TOWN MEETING HELD MARCH 14, 1933

Article 1. Under this article the following town officers were elected: Town Clerk, Hiram C. Bruce; Town Treasurer, Frederick W. Sawyer; Selectman for three years, Harry N. Thomas; Library Trustee for three years, Benjamin F. Prescott; Trustee of Trust Funds, Frederick W. Sawyer; Fire Wards, Jeremiah J. Casey, Fred A. Farwell, George F. Jewett; Auditors, Fred S. Kimball, Hugo Trentini; Sexton, Leon C. Tucker.

Article 2. Voted to raise and appropriate such money as may be necessary to defray town expenses for the ensuing year.

Article 3. Reports of town officers were adopted as printed. George Worcester, chairman of committee to bring the Town History up to date, reported progress and asked to have the committee continued, which request was granted.

Article 4. No money was voted to secure state aid for permanent improvement of highways as, under a new law, the sum of $2733.18 would be available from the state if the town voted $3644.25 for state aid construction. This was done. The amount, $6377.43, was to be used under the direction of the state on state road work, the place to be decided on later. It was also voted to make needed improvements on the Old Brookline Road on the road leading from the regular Brookline Road past the Smalley Souhegan Granite Company's quarry road.

Article 5. Acting upon the report of the Selectmen and Ways and Means Committee the following appropriations were voted:

Town officers' salaries	$2405 00
Town officers' expenses	1150 00
Election and registration expenses	70 00

Legal expense and land damage	300 00
State taxes	12,194 00
County taxes	15,500 00
Abatements	800 00

Article 6. The Selectmen were authorized to borrow money, if necessary, in anticipation of taxes. It was also voted to allow discount on taxes if paid early, as was done in 1932.

Article 7. An appropriation of $200.00 towards the upkeep of the Community House was voted.

Article 8. Under this article the following resolution was presented and adopted: We would recommend that the resolution establishing the

management of the Milford Water Works, passed at the annual Town Meeting March 10, 1891, be amended by striking out that part which now reads "Said Board shall receive from the town semi-annually such sums of money by way of water rates as was due under the contract between the town and the Milford Water Works company October 1, 1890, the time the town purchased said water works, and such additional sums as the Selectmen and the Water Commissioners shall from time to time agree upon for additional water used by said town" and insert in place thereof the following: "Said Board shall receive from the town semi-annually as water rates the sum of ten dollars ($10.00) or at the rate of twenty dollars ($20.00) per year for each hydrant in service and for such other water used by the town, such sums of money as called for by the regular prevailing water rates."

It was also voted to appropriate $2060 to pay existing debt.

Article 9. It was voted to rescind any vote heretofore passed in relation to paying the Sexton for opening graves and attending funerals with the hearse.

Article 10. No money was raised or appropriated for the maintenance of Band Concerts.

Article 11. The Selectmen were authorized to make adjustments of the rent now paid by the Ober Clothing Company for the store in the town house, if deemed advisable.

Article 12. The by-laws and ordinances permitting and regulating retail business, plays, games, sports, and exhibitions on the Lord's Day, as adopted by the Selectmen, were approved by the vote of the people.

Article 13. The decision in regard to building a new road leading from Souhegan Street past the

residence of Melvin Chase to the land of Rowena W. J. Goodridge, was left to the Selectmen.

Article 14. After considerable discussion, it was voted that the town elect a Road Agent. The adjustment of the salary was left to the Selectmen. Fred Reilly was elected. Voted that the Road Agent give a detailed account of where the road money for 1933 was expended.

Article 15. A motion was made that "the town issue a druggist's permit in accordance with Chapter 144 of the Public Laws of the State of New Hampshire, and amendments thereto." Voted in favor of the motion.

Article 16. The Selectmen were authorized to re-lease to the Post Office Department the room now used as a Post Office, for a term of years not to exceed ten (10).

Article 17. The following resolutions were adopted: "Resolved: That a committee of three be appointed by the Moderator to consider the advisability of zoning ordinances for the Town of Milford and report to the next town meeting with suggested ordinances, if the same are deemed advisable." And, "Resolved: With all due respect to the living members of the G. A. R., when the time comes for them to cease taking personal active part in the preparation for the observance of Memorial Day, which we believe is now, the money appropriated by the town for Memorial purposes be turned over to the Ricciardi-Hartshorn Post No. 23, American Legion, this year, and hereafter they be held strictly accountable for it. They will be duty bound to cooperate with the other patriotic orders and carry out every detail for the proper observance of Decoration Day."

In accordance with the suggestion of the Ways and Means Committee, the town voted to authorize the Selectmen to appoint a Welfare Committee of

five to work with the Selectmen and Overseer of the Poor in administering the unemployment fund. They to work without pay.

A vote of confidence in the Souhegan National Bank and its President, Frederick W. Sawyer, was given by the voters present.

Respectfully submitted,

Report of Overseer of the Poor

This report covers the expense to July 1st, at which time the State, under a State Director of Poor Relief, assumed charge of the welfare work and 75 per cent of the expense.

As they were not ready to take up the work July 1st the Overseer continued to carry on during the month of July, paying the bills and sending a report and the paid bills to the State. We are making no detailed report for this month as it will be merged with the State report.

The Director of Poor Relief, with all their expensive force of clerks and welfare workers, did not get their report to us in time to enter it in this year's business.

In a separate column is shown the amount earned by working on town projects. The poor department were recompensed for part of this from the unemployed fund and other departments, as you can see from the report.

Beneficiaries receiving Old Age Assistance are on the increase and at the present there are ten receiving this aid.

As the Town Overseer knows nothing about the County Charges since July 1st we are making no report of those receiving aid through the County.

LEON L. JUNKINS, Overseer,
acting for the Selectmen.

Report of Sexton

With the use of a considerable amount of the money appropriated for the unemployed nearly the usual amount of work has been done in our cemeteries. The iron fences at Elm, Union and West Streets have been repainted. Each year calls for more or less resetting and straightening of the marble and slate stones in our older cemeteries and this past year has been no exception. This coming year should see a new gate at the entrance to the North Yard on the North River Road, also repairing of the fence.

At Riverside Cemetery the water line has been extended over the hill towards the track. A beginning has been made on the work of grading permanent paths and avenues. This work requires much time and expense. However, this work should be carried on as rapidly as posssible as in the early spring our avenues in the various cemeteries are in an almost impassable condition.

Considering the other projects that necessarily demand portions of this fund, we feel that Mr. Junkins has divided it as generously as posssible. Owing to the financial conditions of the present day I presume that we cannot expect to make great improvements above the actual maintenance.

Respectfully submitted,

LEON C. TUCKER,

Sexton.

Report of Park Commission

The past twelve months brought no unusual conditions or large expenditures for the maintenance of public playgrounds. There has been the usual expenditures of money for care of equipment, and no accidents have occurred.

Late in the fall an application was made to the Civil Works Administration for an allotment of money for grading and improvement of Endicott Park. The members of the Park Commission with the Selectmen and the members of the legislature from Milford visited State Administrator Edgar A. Hunter at Concord and made an appeal for funds to do this work. The first grant for this work was $5000. This was later increased and nearly $8000 was expended under the supervision of L. L. Junkins. At times as many as 120 men were employed and rarely less than fifty men, at an hourly wage of fifty cents. This work was suspended January 15 because it was undesirable to continue work with the ground frozen so deeply. This work will probably be taken up again in the spring and the grading of the park completed with CWA funds.

A strong sentiment has developed in town in favor of the construction of a swimming pool at the park, under CWA allotment. It is hoped also that funds may be secured through the CWA to construct a new bandstand at the park to replace the one destroyed this winter. The seats under the trees have about all disappeared and new ones should be built, and if possible built more permanently. It is possible this may be done through a new grant of money from the CWA.

The members of the Park Commission believe the town should take action on the construction of a

swimming pool at its anual meeting. A pool means an expense in upkeep for care and supervision after it is constructed. Everything possible must be done to avoid accidents. Water cannot be taken from the river for it is impure. It will have to be piped from Railroad Pond where a supply of good pure water is available at no expense except for the piping. Such a pool might be useful in winter as a skating rink for the children. The Park Commissioners believe it would be a nice thing to have in Milford for we have no lake such as many other towns have. Pools are being built all over the state, and many of them with money from the CWA.

When the park is completed it will offer large opportunities for the development of athletic activities. It is possible that a supervisor might be employed for three months in summer and five hundred children assembled there daily during July and August and taught swimming and directed in games that would mean much to them and help build healthier boys and girls. This is done in many communities. Why not in Milford? Few towns have the opportunities that Milford has for this kind of development.

It may be too early this year to begin, but it is not too early to commence thinking about it.

It is anticipated we shall need $200 this year for the care of parks and playgrounds.

Report of Water Commissioners

REPORT OF SUPERINTENDENT

To the Honorable Board of Water Commissioners I herewith submit a report of the Water Department for the year ending January 31, 1934.

In spite of the general conditions which affect a water works system the same as any other business, and in spite of the fact that our income has been cut approximately $3000.00, due to reduced meter rates and hydrant rental, the water works has come through the last year with a balance of approximately $2800.00.

We have laid 1300 feet of main pipe on Nashua Street, and 260 feet on Charles Street, adding two hydrants to our system, at a cost of $2096.40.

The new well is producing more water than we expected. For the past three months it has produced all the water the town has used.

I should like to make the following suggestions or recommendations to be carried out in the near future:

1. That the Water Works be provided with a suitable office to be used by them alone.

2. That a new, complete system of bookkeeping be adopted, possibly one approved by the Public Service Commission for private plants of this size.

3. That every house shall have a meter, thereby putting every consumer on the same rate.

4. That the meters be read and billed quarterly, and that an experienced bookkeeper be employed part time, or possibly full time.

Respectfully submitted,
ROBERT F. CAMPBELL,
Superintendent.

Report of Superintendent of Sewers

To the Honorable Board of Selectmen:

I submit a report of the Sewer Department for the year ending January 31, 1934.

Owing to a misunderstanding on the appropriations we haven't done as much sewer work as usual this year. The following sewers should be cleaned the coming year: West Street, Union Street, Highland Avenue, and Grove Street.

A new sewer is being laid on Summer Street, carried on as a CWA project, the town furnishing all materials.

Detail of wages paid for labor (all checks payable to R. F. Campbell):

MILFORD FREE LIBRARY

REPORT OF THE TRUSTEES

To the Citizens of the Town of Milford:

The Trustees of the Milford Free Library submit herewith their annual report, together with the report of the librarian.

At the annual meeting of the Trustees on March 17, 1933, the following officers were elected: Chairman, Marcus G. Bourn; Treasurer, Benjamin F. Prescott; Secretary, Ruth D. French. Miss Annabell Secombe was re-elected librarian and Miss Alice Ames assistant librarian.

The Reading Committee chosen were Miss Ella Powers, Mrs. Harriet W. Hutchinson, Mrs. Louise Powers, Mrs. Louise Broughton, and Miss Margaret Howison.

The librarians have served the community loyally and well, doing their best under salary cuts and lowered appropriations. The library is one of the great assets of our town and is used freely by young and old.

We recommend that the sum of $3000 be appropriated at the annual town meeting for the use of the Milford Free Library.

Respectfully,
MARCUS G. BOURN,
BENJAMIN F. PRESCOTT,
RUTH D. FRENCH,
Trustees of the Milford Free Library.

REPORT OF THE LIBRARIAN

To the Trustees of the Milford Free Library:

I herewith submit the annual report of the Milford Free Library for year ending January 31, 1934.

It has been a successful year, although our circulation of 44,880 was less by 882 than that of last year. The decrease in our funds for books made for some lack of patronage of course.

The following statistics give the service and resources of the library during the year.

Respectfully,
ANNABELL C. SECOMBE,
Librarian.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Milford:

I herewith submit my fifteenth annual report, which is also the twenty-ninth in the series of such reports.

Organization of Union No. 40

The action of the last legislature has made it necessary for the State Board of Education to decrease the number of supervisory unions in the state. This has resulted in Bedford taking the place of Hollis in Union No. 27, and Hollis being attached to Union No. 40. The Union now is as follows, with percentage of joint expense borne by each district, as determined by a joint meeting of all school boards concerned, shown in parenthesis: Amherst (17%), Brookline (8%), Hollis (14%), Milford (56%), Mont Vernon (5%).

Under the four town grouping Milford paid 60%.

Teachers and Enrollment

The following changes in teachers have been made since last year. Mrs. Elizabeth Scully replaces Miss Margaret Lorden who has a year's leave of absence from Pine Valley School on account of ill health. Miss Violet Boudreau of Milford and Miss Pauline Holcomb of Berlin replace Mrs. Berube and Mrs. Powers in grades five and six respectively. At the High School Miss Marion Little resigned from the Commercial department to accept a position at Manchester Central High. The vacancy was filled by the appointment of Miss Alta Fitzpatrick of Concord and Plymouth Normal School. At mid-years, Miss Phyllis Forbes was granted a leave of absence for the rest of the year. She is studying at Columbia

University. Keene Normal School continues to supply cadets for Domestic Arts work, but due to smaller enrollment at Keene we have been without a cadet for one quarter.

School Plant

Contemplated alterations and additions, especially at the High School, have been postponed during the last three years. The general plan as originally worked out for remodeling of the high school and adding a gymnasium should not be permanently abandoned. The first thing to be done when conditions warrant it is the installation of a new heating plant. Increased enrollment has caused some con-

gestion, but since incoming classes will be smaller for several years, the peak has probably been reached this year. Maintenance repairs such as painting and cleaning should not be neglected any year. The high school is due for outside painting at an early date.

The elementary building was given a coat of paint the summer of 1933 and all furniture put in good refinished condition.

Rural schools, if continued, should be improved by steel ceilings at Laurel and Pine Valley—Osgood already has one. The North school, unoccupied since 1931, might well be disposed of before extensive repairs are needed.

The floors in all buildings are necessarily grimy from oil treatment for several years. It is becoming good practice to renovate such floors by removal of oil, application of a filler, and treatment with a special wax surface which is very easily kept clean. Some one room, perhaps a rural school, could be treated in this way this season as an experiment toward similar treatment for all rooms.

Conclusion

In these days of depression it is gratifying to report that in spite of the necessity of reduced budgets, school workers have accepted conditions cheerfully and loyally, and pupils have co-operated in minor savings with the result that standards of teaching and learning have been maintained. It should be remembered, however, that a child has his childhood but once and that "we all need to hold firmly to that higher security which consists of what one is, not what one has." To this end, standards and opportunities should be maintained each year for the girls and boys who in a very short time will be the citizens who must meet the problems of tomorrow. President Franklin D. Roosevelt chal-

lenges us with this statement: "This crisis can be met, but not in a day or two, and education is a vital factor in the meeting of it."

Respectfully submitted,

HAROLD C. BALES,

Superintendent of Schools.

REPORT OF HEADMASTER OF HIGH SCHOOL

To Harold C. Bales, Superintendent of Schools, Milford, N. H.:

I herewith submit my fourth annual report as Headmaster of Milford High School.

Enrollment

The membership at the end of the half year, January 31, 1934 was 383 as compared to 379 at that time last year and compared to 372 of two years ago. Two hundred ten of these pupils were girls and 173 were boys, distributed according to age and grade as follows:

Boys	45	26	32	34	18	16	2	173
Grand Totals	84	68	74	61	46	46	4	383

The total number of different pupils enrolled for the first half year through January 31, 1934 was 413. The situation in regard to seating capacity, prospect for larger school and other items was discussed in last year's report. The building was and is taxed to capacity. It is probable that there will be smaller entering classes next year and in the years immediately following.

Tuition Pupils 1933-1934

On January 31, 1934 there were 46 tuition pupils as compared to 40 at that time last year. They were distributed by grades and towns as follows:

Grade VII, 6; Grade VIII, 4; Grade IX, 17; Grade X, 2; Grade XI, 10; Grade XII, 6; Post Graduate, 1; Total, 46.

Amherst, 4; Brookline, 9; Francestown, 1; Greenfield, 7; Greenville, 4; Lyndeboro, 3; Mont Vernon, 17; Rindge, 1; Total, 46.

Last Year's Activities

1. The members of the Junior Class presented the play, "The White Elephant," in the High School Assembly Hall on February 17, 1933.

2. The Sophomore Class gave "In The Corner Cupboard" in the High School Assembly Hall on April 7, 1933.

3. During the April vacation the members of the Senior Class visited Boston by bus, seeing points of historic and present interest, holding a banquet and attending the theater. The party was accompanied by Miss Blanche Dufault, class adviser, Mrs. Wallace Riddle, Miss Marguerite Brown and Mr. Carl Talbot, chaperones.

4. The annual Junior Prom was held in the town hall on May 5, 1933. Herb Whitney's orchestra of Lowell again furnished the music.

5. On May 6, 1933 Milford was represented by

three teams at Keene at the fifth annual scholarship day, competing in Mechanic Arts (information), Bookkeeping, and Physics. The teams made a fine record. In the state wide contest the Bookkeeping team was second, Physics second, and Mechanic Arts third. All schools in the state had opportunity to compete.

6. No play was given by the Freshman Class.

7. The "Seventeenth Annual Kaley Prize Speaking Contest" was held in the town hall on May 26, 1933. Under the direction of Miss Flora Abbiati one of the best exhibitions of "speaking" in recent years was given. The contestants were: Barbara Griffiths, Grace Mixer, Barbara Peavey, Lester Perham, Robert O'Brien, Gregory Robinson, William Wolffer and Marguerite Wright. First prizes of eight dollars were won by Barbara Peavey and Gregory Robinson. Marguerite Wright and Robert O'Brien each were awarded second prizes of four dollars. Each of the other four contestants received two dollars. The prize speakers were selected from the sixty members of the Sophomore class. The Kaley Prize Speaking Contest represents the climax of the Sophomore year's work in English.

8. On June 22, 1933 the forty-three members of the Class of 1933 were awarded diplomas. Their names and curricula were as follows:

9. Milford again was a member of both the Monadnock Basketball and Baseball Leagues. For the third successive year both the Peterboro girls and boys won the basketball cups. The Peterboro boys were runners-up in the state tournament (Class B) at Durham. In baseball there was a tie for first place between Appleton Academy of New Ipswich and Milford. Milford won the play-off in a fine game by a score of 1 to 0, thus receiving the cup. In three years Coach Erickson's boys have won the baseball championship twice.

Activities 1933-1934

1. Football was much enjoyed by a few of the boys in the school. The record was three wins, two defeats, and one tie. Since one of the schools played

was out of our class, the season was considered very successful.

2. On November 24, 1933 the members of the Class of 1934 presented the Baker play, "Bab." This $25 royalty play was a success both financially and from the standpoint of good acting. The play was directed by Class Adviser, Miss Alice Herlihy, and coached by Director of Dramatics, Miss Irma Andrews.

Changes In The School Day

Due to the fact that we were to have one less teacher for the second half year (to keep within our budget) it was necessary to lengthen the school day from 3:15 to 3:30. By utilizing the daily activity period we were able to arrange a seven period day in place of six as has been the custom in past years. Teachers are now carrying heavier loads than during previous years. If it can be arranged we should have our full quota of 16 teachers and cadets for 1934-1935. At present we have a school day that is too long, especially for the seventh and eighth grades. Classes are large in the seventh grade, over 40 per section. Teachers have more duties, and we need the activity period of past years for clubs and valuable pupil assemblies.

MacKinnon, Josephine S. (5th), Music.

Morgan, J. J., Jr. (4th), Plane Geom., Advanced Algebra, Solid Geom., Plane Trigonometry, Headmaster.

Smith, Stella E. (6th), Home Economics, Geography (2nd half year), Suprevision of Cadets. Sewing second quarter.

Talbot, Carl W. (14th), Mechanic Arts.

Cadets, 9 weeks each. (Due to a shortage of cadets we were unable to obtain one for the second quarter.)

For the past three years we have had but one teacher change per year—a fortunate situation for the school.

Needs

The first and most important of the seven Cardinal Principles of Education as listed in the Bulletin of 1918 (still considered an authoritative document) is health. We have no adequate provision for that phase of health which requires physical exertion for its realization. From November to the middle of April the school is unable to reach any large number of pupils in a program involving the building of bodies through exercise. We are not even able to secure a place in which the teams of the school can practice enough to successfully compete with neigh-

boring schools much smaller in size. On several occasions our girls and boys have had to meet strong opponents, on Friday night, without having been able to secure the town hall on Monday, Tuesday, Wednesday or Thursday of the week of the game. This, of course, was due to the fact that so many worthwhile community organizations need the town hall for their activities. We need a gymnasium in order to inaugurate a program of health education that will reach every pupil in school, in order that we may build sound bodies for the girls and boys who will be women and men of tomorrow.

Respectfully submitted,

J. J. MORGAN, Jr.,

Headmaster.

REPORT OF SCHOOL NURSE

To Mr. Harold C. Bales, Superintendent of Schools, Milford, N. H.:

I herewith submit my second annual report of school health work in Milford, it being the fifteenth year of this work.

The annual medical inspection was made during October and November by Dr. Hinds. A tabulated account of defects will be found in the School Physician's report.

The eye examinations in the elementary schools were made by the teachers and seventeen pupils were found to have defective vision. Visual examinations in the high school have not been completed. During the school year 1932-1933 twenty-five visual corrections were made. Funds were received from the Public Welfare and various local clubs to assist with this work.

Twenty-seven children were taken to the county hospitals for nose and throat corrections during the past year.

Since November Federal money has been available to supply sixty-six undernourished children with milk at school each morning recess and this is to continue throughout the school year. Many other children buy the milk at school each day.

Through cooperation of the State Department of Health three immunization clinics were held during April and May 1933, at which a total of one hundred and ninety were immunized. They were as follows: School children 144; pre-school 37; and babies 9.

A project for serving a hot dish each day to the pupils who bring their lunches is being started. State funds are available to supply those who cannot otherwise have such.

Three hundred and twenty-two school room visits were made during the year which consisted of school room inspections, short health talks, and special attention to individual children as needed. Home visits have been made for instructive and corrective work.

Cod liver oil has been given to children needing it. This is provided by the relief fund and may be obtained from the nurse.

Ten lessons in simple nursing procedures were taught to high school girls of the Junior class this year.

There have been a few cases of scarlet fever in town of which two are still under quarantine. There have also been several cases of whooping cough. Many have had coughs and colds during the winter and it has been necessary for them to remain at home.

At present we have twenty-eight unvaccinated pupils attending school without proper excuses. This is a decrease from last year.

From time to time it is necessary to provide children with clothing and this has been done through the Red Cross.

I am always glad to have questions and calls from parents and others interested in school health work. It is through the spirit of cooperation that the best work can be done.

In closing, I wish to thank the school officials, parents, teachers, and pupils for the cooperation they have given me during the year.

Respectfully submitted,

VENITA H. CARTER, R. N.,

School Nurse.

Of the Deaths in town in 1933, 18 were carried out of town for burial: Amherst, 5; Antrim, 1; Lowell, Mass., 1; Lyndeboro, 1; Nashua, 2; Peterboro,1; Salem, Mass.,1; South Easton, Mass., 1; Suncook, 1; Watertown, Mass., 1; Weare, 1; West Medford, Mass., 1; Wilton, 1.

Twenty-one were brought from away for burial. Some were long ago residents.

Of the 53 deaths recorded, 4 were between 90 and 100; 5 between 80 and 90; 17 between 70 and 80; 10 between 60 and 70; 6 between 50 and 60; 1 between 40 and 50; 5 between 30 and 40; and 5 under 30. Of these deaths 23 were Male and 30 Female. One or both parents of 17 were born in other countries.

The Vital Statistics of a town are one of its most imporant records, not merely for today but for generations to come. If everyone would see to it that the records of their own families were fully and correctly filled out on the Marriage, Birth, and Death certificates when handed in, it might be of great use to them or their descendants at some future day, and a great help to us in making out the records of today.

I hereby certify that the foregoing returns are correct according to the best of my knowledge and belief.

HIRAM C. BRUCE,
Town Clerk.
